

Area Artists!

The 4th Annual Spartanburg Earth Day Festival,
a community-wide, interactive, and educational event

Is Seeking Artist Exhibitors!

We are eager for artists
who create with natural or recycled materials
or whose artwork focuses on nature
to exhibit with us.

Our family friendly festival will be held on Henry Place and the grounds of the Unitarian Universalist Church of Spartanburg,
210 Henry Place, 29306.

10 a.m. to 3 p.m.

Saturday, May 4, 2019

Important parameters:

- Artwork should be handmade, self-produced, and focused on nature or made with recycled materials.
- Artists will be expected to remain at their booth during festival hours.
- To insure quality and variety of vendors and to enhance the possibility of optimal sales for artists, we reserve the right to select artists.
- 10 x 10 outdoor spaces are available for \$50. Artists must provide 10 x 10 canopy, 8' table, and needed chairs for these spaces.
- Indoor spaces are available for \$60. Spaces are 10' x 5' and will accommodate an 8' table. Artists will supply their own tables and chairs. 12 of our spaces offer wall space. Bulletin boards will be available for 6 of those spaces. Spaces are limited and will be assigned on a first registered, first reserved status.
- All funds generated by the festival underwrite festival expenses. Any excess funds seed the next year's festival.
- Our professional marketer and increased community outreach allow us to expect over 1000 people at this year's festival.

If you believe in earth-friendly practices,
stewardship, sustainability, and an appreciation of our awesome planet,
consider exhibiting your creations at our festival.

Registration is now open and available at www.spartanburgearthday.org
